## FINANCES: STRESS, CONFLICT AND FEAR

### Money Values

- Status
- Enjoyment
- Security
- Control

#### **CONVERSATION**

Which of the money values describes you best?  
How are your money values differences showing up in your relationship?

## 5 Relationships With Money

**Surviving:** drained, trapped, little hope

**Struggling:** stressed in the present, anxious about the future

**Stable:** more or less calm but hoping for more

**Secure:** mostly confident

**Surplus:** grateful and ready to share

### **CONVERSATION**

Compare your responses to the poll question and then share why you chose the option that you did.
