MARRIAGE CONFERENCE

# Legacy Gift

For more than 30 years, FamilyLife has helped couples breathe new life into their relationships. More than one million couples have experienced a weekend getaway like this one and put the insightful, time-tested principles to use.

It's not couples therapy, and there's no group sharing. Instead couples will be guided through instruction and conversation to learn how to:

- Maximize their differences
- Fight fair
- Speak each other's language
- Rekindle intimacy and romance
- Deepen commitment
- Pursue God's big plan for their marriage

They will have time to learn and process together in a warm, fun-filled environment. It's a weekend getaway they'll never forget.

“ We were headed for divorce and this conference truly healed our marriage.

“ We had become stagnant, stuck in routine and habit - now we have the passion to make changes and to break the habits to build a better marriage and life.
